AIR GUNS USED IMPROPERLY CAN BE DANGEROUS AND CAUSE DEATH

All persons whom purchase any EAA Corp air gun or related products thereof are responsible to KNOW: FEDERAL, STATE and LOCAL LAWS AND REGULATIONS. You as the purchaser are expected to follow and comply fully with any and all pertinent laws regarding and relating to the Federal, State and Local laws. This responsibility for compliance includes Federal, State and Municipal, County, Parish, City, and regional LAWS relating to airgun safety, rules, regulations, registration and ordinances.

We can not ship air guns and related material to the end user into the following States, Cities and or Municipalities :

- I) New York City and the Boroughs (Manhattan, Bronx, Brooklyn, Queens, Staten Island)
- II) Philadelphia, PA
- III) Washington, DC
- IV) Chicago, ILL
- V) New Jersey State
- VI) Michigan, State

However we will ship, on your behalf, to any authorized and licensed gun shop in these areas listed above. Please contact your nearest Gun Dealer and ask if they will assist you in acquiring an air gun. You will pay us directly and we will ship to your designated Gun Dealer.

European American Armory, Inc. **does not ship** any products **out of the Unites States**. We do not ship to Canada.

European American Armory **will not sell** any Air Guns or related products to anyone **under (18) Eighteen** years of age. We will require proof of age for all purchases.

You the purchaser **must provide proof of age** and sign this form with any and all air gun or related purchases.

I have **read** and I **understand** all local and state **laws** governing air gun ownership and usage. I am obeying the laws as far as I understand in my area regarding air guns
