

## **NOTICE TO DISTRIBUTORS, DEALERS AND CONSUMERS**

**If you have sold or own any of our Poly Special New Frame pistols with the SKU # 999048 OR 999044 this notice pertains to you. These models are what we call our small frame pistols. They can be converted to 9MM, 40S&W OR 22LR, unlike our large frame which can be converted to all major calibers.**

**When ordering parts, magazines or conversion kits you will need to supply us with the serial number to your firearm in order for us to pull the proper parts for your pistol's model. None of our parts are drop-in. The parts and conversion kits should be fitted by a competent gunsmith.**
